BOULDER COMMUNITY HEALTH FOUNDATION

2027 SPONSORSHIP OPPORTUNITIES

Partner with us all year long in 2027 to create and care for the healthiest community in the nation.

With an exciting lineup of events and ongoing communications throughout the year, each new season brings fresh opportunities for BCH Foundation sponsors to connect with our community. Your support makes a real difference—helping us provide the best care possible when it's needed most and promoting the health and well-being of everyone we serve.

Why Partner with BCH Foundation?

- For more than 100 years, Boulder Community Health has met the evolving health care needs for our community. The BCH Foundation inspires giving in support of BCH—your community owned-and-operated nonprofit health system.
- With a workforce of over 2,000, the BCH Foundation supports BCH staff and physicians through educational, wellness, and emergency assistance benefits.
- The BCH Foundation supports funding in three focus areas: Our Community, Our Patients and Our Workforce, with $5.19 million being granted to BCH and its community partners in 2026.
- The BCH Foundation partners with community-based organizations to fund non-clinical efforts that improve health outcomes in BCH patient communities by addressing social and economic barriers.
- BCH serves more than 130,000 patients each year and engages over 150,000 email subscribers and 30,000 social media followers through BCH and BCH Foundation communications.
- The wide-reaching support from the BCH Foundation's donor community helps us make a bigger impact, making us a trusted organization in the community and a great partner for corporate sponsors.
