

## ONLINE PUBLIC MEETING

# Your health, our future

## BCH's Community Health Needs Assessment

### We need your feedback!

As an independent, nonprofit health system, Boulder Community Health (BCH) understands the transformative power of giving community members input into health care decision-making. This is why we conduct focus groups and community interviews to identify health care services that best serve our community. We bring together our findings in a report called a Community Health Needs Assessment, or CHNA, available on [bch.org/CHNA](https://bch.org/CHNA).

Join us for a virtual presentation to hear how we're improving the health of the people and communities we serve, as identified in our 2023-2025 CHNA. You'll also have an opportunity to hear about BCH's care coordination for those enrolled in Health First Colorado (Colorado's Medicaid).

We ask that you join us to provide feedback and have your voice be heard.

**When** Tuesday, June 11, from 5:30 to 7:00 p.m.

**Where** Watch online. You'll get the link once you register.

**REGISTER FOR FREE ONLINE LECTURE:**  
[bch.org/CHNAmeeting](https://bch.org/CHNAmeeting)

*Servicios de interpretación al español disponibles solicitándolo por correo electrónico a [CHNA@bch.org](mailto:CHNA@bch.org) antes de las 5 p.m. del viernes 31 de mayo del 2024.*
