

2023 Public Meeting

The Boulder Community Health community public meeting for 2023 was held Wednesday June 21st from 6:00pm to 7:30pm. The meeting fulfilled requirements for the following two sources/programs:

- **Hospital Community Benefit Accountability Law (HCBAL) 2023 calendar year**
- **Hospital Transformation Project (HTP)**

Public Meeting Invitees

Please see posted file for detail on invitees – Please note again our request to have a current file/list of mandatory invitees for hospitals to utilize so that there is consistency and the correct people invited!

- The Hospital Community Benefit Accountability Law mandatory invitees
- State Government
- City and County Government
- Two County School Districts
- Community not for profit organization leaders
- All community members on Boulder Community Health email lists

Public Meeting Notices

BCH used a multi-pronged approach to announce the community meetings:

Email

- Email invitations to list of designated community people and organizations on May 19 and June 13
- HCBA mandated invitee list was sent via email invitations on May 19 and June 13
- Email invitations extended to entire community using master email list curated by the BCH Marketing Department on May 19 and June 13
- One-day and one-hour reminder emails to all registrants.

Website, social media, and newsletters

- Meeting notice was posted in the “Community Events” section of bch.org, which included a form for individuals to register for the meeting.
- Social Media Announcements: Facebook (4 posts plus one event creation), Instagram (1 post), and LinkedIn (1 post) were made in advance of the community meeting.
- Notice was given to employees and Medical staff with internal email blasts and an article in the Medical Staff newsletter
- The event was featured in the BCH June “Health Matters” e-newsletter

Advertisements for the public meeting appeared in the:

- The Daily Camera Newspaper on Sunday, May 21
- Longmont TIMES-CALL newspaper on Sunday, May 21
