

Boulder Community Health HCBA (CHNA) Public Meeting Agenda
June 11, 2024

Grant Besser, VP and President of BCH Foundation

- Welcome & overview of our health care system
- Financial commitment made to those who can't afford health care

Ben Keidan, VP and Chief Medical Officer

- Review of CHNA process and our four identified priorities:
 - #1 - Mental health, chronic pain management and substance abuse
 - #2 - Wellness, preventative health and access to care (focus on health equity and women's health)
 - #3 - Chronic disease management (focus on aging)
 - #4 - BCH and provider workforce
- Review of progress we're making on priority #1
- Financial commitment to priority #1

Amanda Wroblewski, Therapist

- Review of PILLAR services
- Review of what PILLAR is currently seeing in the community

Larry Novissimo – VP of Ambulatory Services

- Review of progress we're making on priority #2, specifically on women's health services
- Financial commitment to priority #2

Liz Lycett, BCH Physician

- Review of progress we're making on priority #3 and new geriatric clinics
- Dollars raised at the Foundation's Gala for new geriatric clinics

Madelyn Hunt, Manager, Care Management

- Review of services for complex patients
- Project HEALS results

Ben Keidan

- Review of progress we're making on priority #4, including health equity programs
- HTP and progress we've made on caring for Medicaid patients

Grant Besser & Ben Keidan

- Audience Q&A (call for any additional items for BCH to consider for Implementation Plan)

There were a few programmatic questions related to the BCH CHNA and Implementation Plan, but there were no items or additions to them that were considered to warrant addition to the plan.
