

Learn How to Better Manage Your Diabetes

Is diabetes controlling your life? Information can help you gain control. Get in-depth information on these important issues:

Food – Nothing should be off limits. Learn how to eat anything.

Blood Sugar Number – What should it be and what does it mean?

Medicines – How do they work and why do I need more than one? Or why am I not taking any at all?

Activity – What does activity have to do with my blood sugar?

Sign up for this comprehensive two-session class and learn the answers to these and many more common questions.

This two-part class series costs \$348. Most insurance plans cover this cost.
